Plan and Manage Your Career Development

This workshop helps clarify how the use of career assessment tools such as myIDP or ImaginePhD can help you identify and prioritize professional goals and construct an actionable strategy to achieve them. We will review the career decision making process, highlight resources aimed at exploring careers, and how to identify concrete actions to accomplish your goals.

Host: Yale Physics Professional Development Organization (YPPDO)

Join us for lunch during the talk, RSVP to: estella.desouza@yale.edu.

Lunch is served in WL-216 starting at 11:45 a.m. RSVP requested.

Sponsored by the Yale Wright Laboratory, the Flint Fund, and the Yale Physics Department.
